Country Image Strengthens C.A.H.S. Identity

When Carl Albert High opened its doors eighteen years ago, people in the community and students from neighboring schools referred to it as "the farm school" or "that school way out there." The label "tractor driver" was applied to every Titan whether he lived on a farm or on a typical residential city street.

Though these country-image labels have remained with the Titans for many years, today's Carl Albert High students beam with pride when they boast, "We're a little bit country . . .;" for they enjoy the best of both worlds. The comfort of urban living and its convenience coupled with the relaxed and simple pleasures of the country present a uniqueness that other schools cannot enjoy.

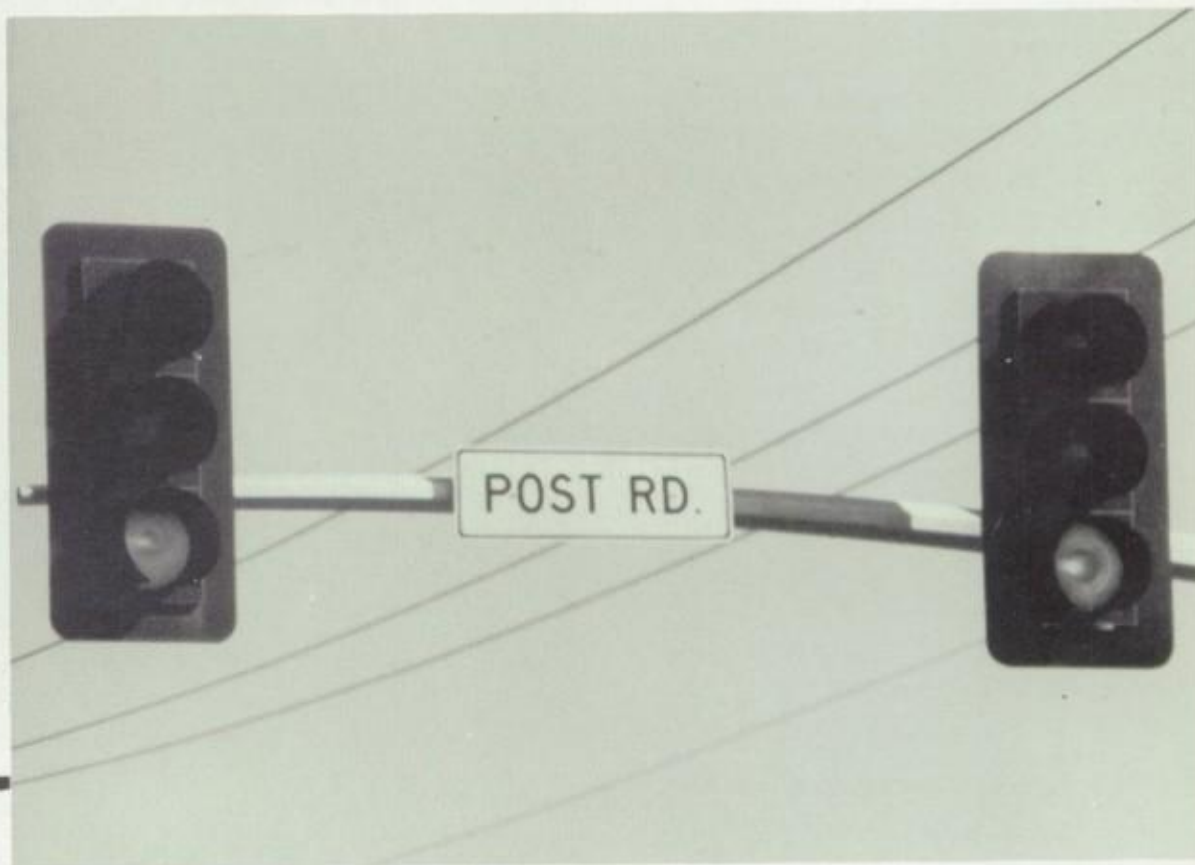

Country and City Merge in C.A. Area

Pastoral beauty is still within walking distance of the campus to the east, north, and south while the western portion of the school's district encompasses all one would expect to find in a large metropolitan area.

Brannon-Mobly's Food Store, Seven Eleven, and Ronald's Drive-In bring the rapidly expanding city even closer. The intersection of Post Road and Southeast Fifteenth Street sports its own stoplight; and house, apartment, and condominium construction thrive — further proof that urbanization is on the move.

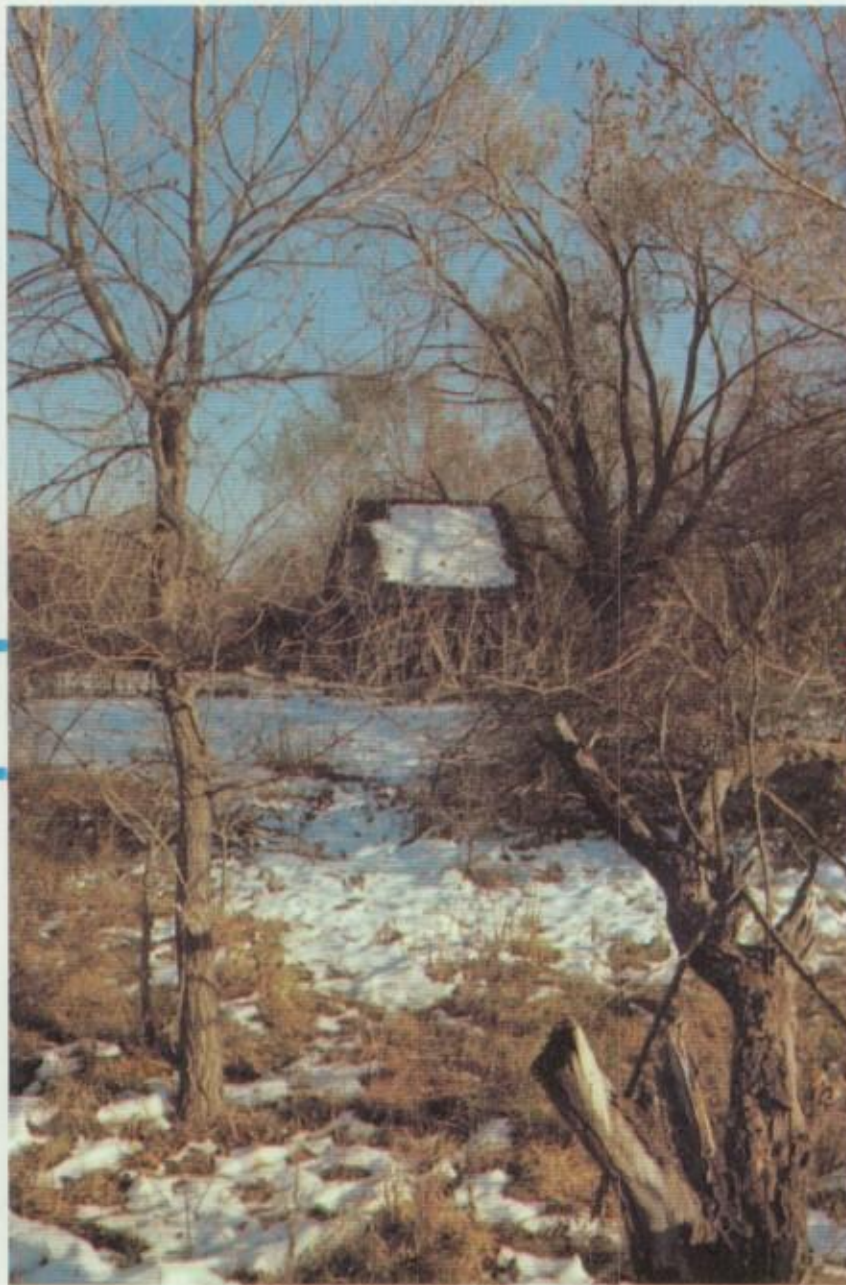

“Country Craze” Realistic to Titans

The country image has enabled all Carl Albert's Titans to realize that the term “Urban Cowboy” contained a realistic meaning for them long before its influence swept the nation. The “new-found” interest in country and western music, dancing, and culture is not new — the rest of the world simply had to catch up!

"Same Old Brand New C.A." Welcomes Students

"Howdy Week 1980" was a fun-filled five days that set the pace for the rest of the school year. Various activities were planned throughout the week to welcome all Titans back to school.

Monday began with "Teacher Appreciation Day." At noon, the newly elected class officers battled one another in a mud-sling contest. Tuesday was reserved for the seniors' "Urban Cowboy Day" and a pie-tata throw at lunchtime. The juniors wore their favorite T-shirts on Wednesday and the entire school participated in an egg toss during noon hour.

"Hat Day" was proclaimed by the sophomores for Thursday and a sack race took place during the lunch period. Friday was set aside as the traditional "Red and Grey" day for all loyal Titans to wear their school's colors. The senior class sponsored a mechanical bucking machine at noon and challenged all Titans to test their riding skills. The week climaxed with a spirited assembly and a "Howdy Dance" following the football team's win over Capitol Hill High School.

Fun-Filled Theme Marks '80 Homecoming

"Titan Moviola," the Student Council's theme for Homecoming 1980, was a fun-filled week climaxing more than a month's planning and hard work.

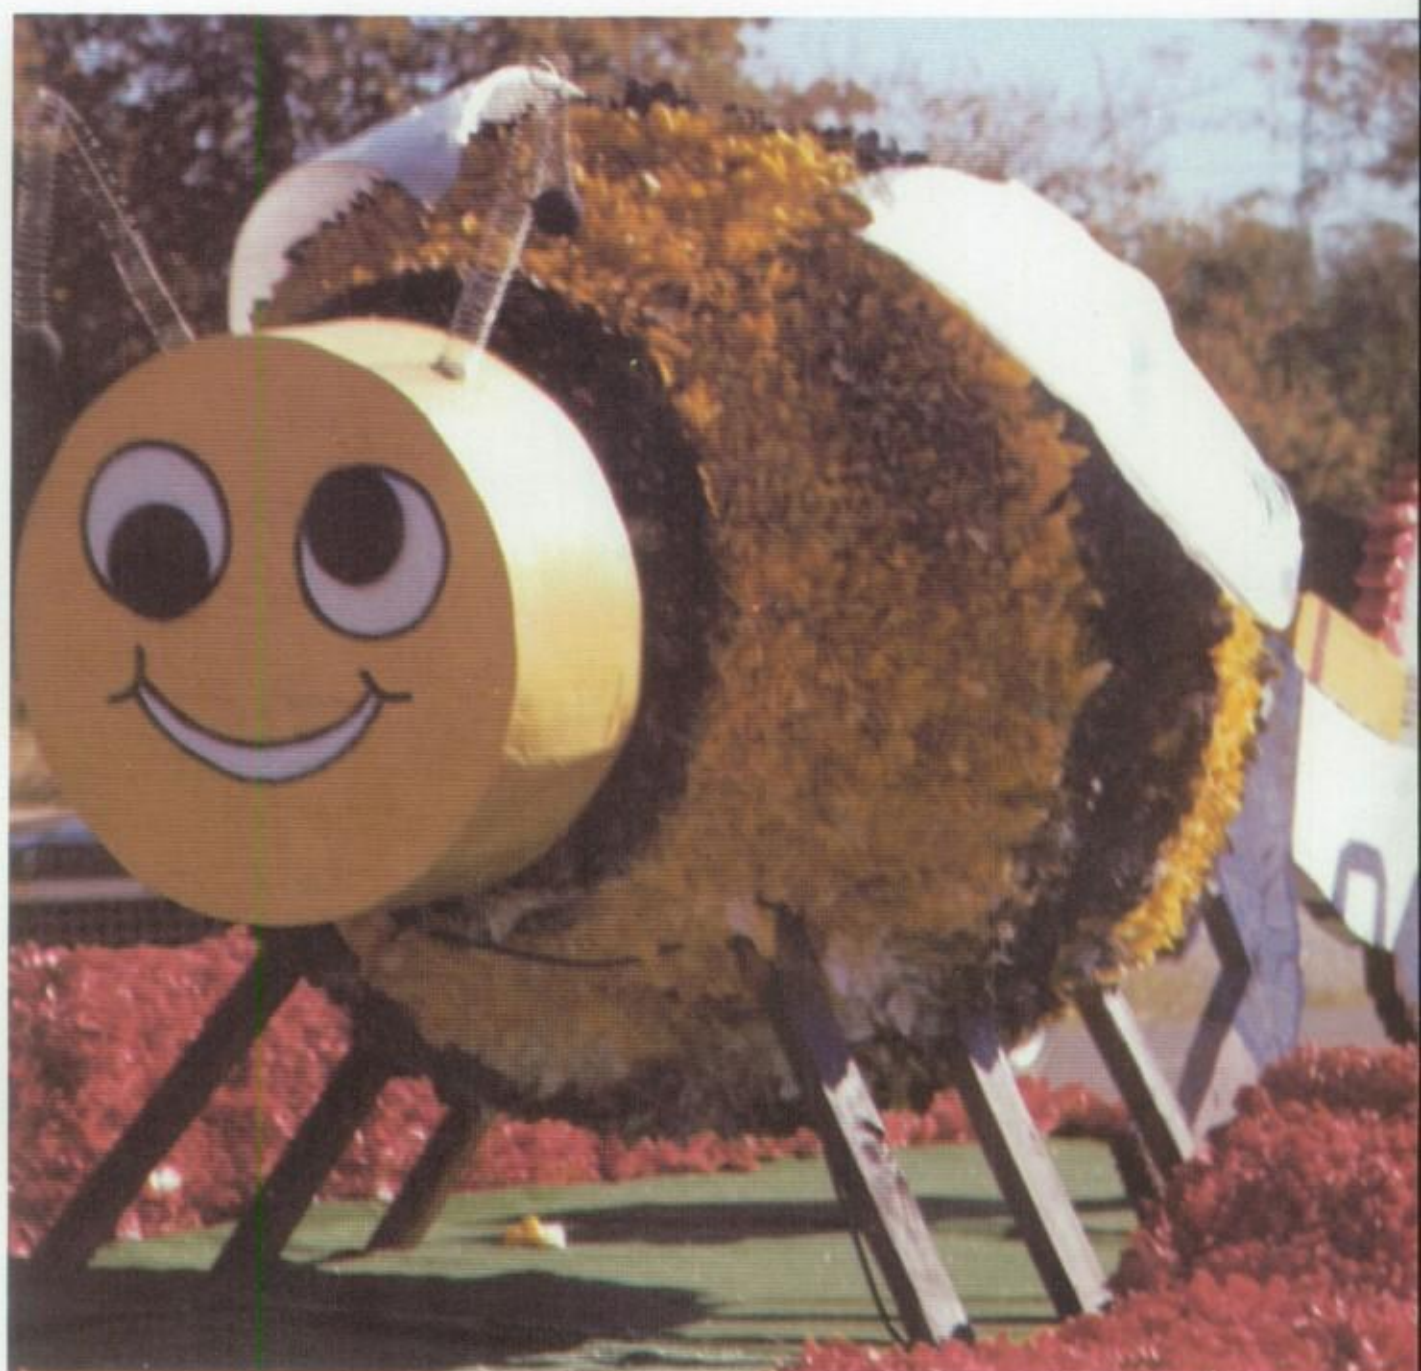

Float construction by the classes and clubs intensified during the final week as students completed what was hoped to be the winning float entry. The senior class, winners as sophomores and juniors, captured first place with the entry, "Titans Injuneer 'The Sting'." Second place honors went to the sophomore class float, "Indians, Heaven Can't Wait." "Titan Terror Train," entered by the junior class, claimed third place; and the F.F.A. float, "Titan Alien," received fourth place.

Student participation in the week's activities marked the mood of Homecoming '80. Among the activities were "Secret Titan Day," the spook house, an apple-bobbing contest, a licorice-Lifesaver chew, a tricycle race, and a tug-of-war.

The final day of Homecoming week included the assembly, the football clash between the Titans and El Reno, and the Student Council-sponsored dance. Featured in the assembly were a silent movie, a slide show, skits, and a performance by "The Soundsations." The high point of the assembly was the presentation of the 1980 Football Princess, Allyson Eastham, and her court, JoAnne Tolle, Shelly Fox, and Heather Cormack.

The 1:30 P.M. parade through downtown Midwest City was high-lighted on local television and included the band, class and club floats, the football royalty, decorated cars, mounted riders, and truckloads of proud Titans.

The football team's defeat of El Reno and the Homecoming Dance featuring the KOFM Mobile Music Machine climaxed the week's activities.

Sporting the theme, "Titans Injuneer 'The Sting'," the senior float claimed first place in parade competition.

Left-Allyson Eastham, escorted by Anthony Nibs, reigned as Football Princess. Others in the court included: JoAnne Tolle, Shelly Fox, Heather Cormack, Marvel Rogers, Jeff Moore, and Bo Peeler. Center left-David Shelburne and Hardy Watkins race to the finish in the tricycle race. Lower left-The sophomore float, "Indians, Heaven Can't Wait" received second place in the afternoon parade. Below-Spirited Titans join the "Titan Battle Cry." Lower right-Senior footballer, Bo Peeler, gains valuable yardage in the Homecoming victory over El Reno.

Juniors Win Spirit Stick in 1st Assembly

The junior class began the year by winning the spirit stick at the first pep assembly and receiving third place in the Homecoming float competition with the entry, "Titan Terror Train."

To raise money for the Junior-Senior Prom, "Going in Style," held at the Hilton Inn Northwest, the class sponsored the movie "Psycho," sold concessions for the Bluegrass Festivals, and sold candy bars. During the Christmas season, it sold gift roses and sponsored an all-school disco dance.

The junior float, "Titan Terror Train" won third place honors in the Homecoming Parade.

Titan Talk Named Tops in State

The *Titan Talk*, published monthly by the Journalism II class, is designed to inform the students of what is happening at Carl Albert. It also gives the students an excellent opportunity to learn of the various sports and organizations at school.

Although publishing a newspaper seems like an easy task, it is actually a major undertaking. The staff spent many hours, in and out of class, striving to compose, edit, and lay out the best newspaper possible. In order to print such a paper, good students are a primary requisite. To be selected for the staff, members must have taken Journalism I and have and maintain a 3.0 grade average throughout the three years of high school.

The staff won at least one award per month in the Oklahoma Interscholastic Press Association competition. In April, the staff attended the Conference at the University of Oklahoma. The *Titan Talk* won the "All Oklahoma" award, naming it the top newspaper in the state.

Art Club Members Are Gifted and Sensitive

The Art Club, a small organization of artistically gifted and sensitively-involved students, suffered from lack of external activities due to scheduling conflicts.

Nevertheless, with available meeting time during the lunch breaks and volunteered time away from weekend jobs, they surmounted the club's financial difficulties by working at the Blue Grass Festival and contributing funds to finance awards for the art department.

Their humane orientation, expressed in social concern and sensitive art works, reflected the high quality of students who were members.

Individually, Paula Lange took her talents to work in ecologically-related wilderness projects during the summer while Dwayne Bogard prepared for entering college with the sale of five armed services paintings. Others worked on the "Reader's Digest" — sponsored "ISSUES" which illustrated problems faced by the nation.

Library Club Encourages Skills

Filing, checking in books, and checking out books are but a few examples of the many tasks encountered by library aides as they hustle and bustle about the library. All aides qualify for membership in Carl Albert's Library Club. Other qualifications include knowledge of how to check books in and out and how to file books.

The Library Club entered a decorated car in the Homecoming parade. Other activities of the club were an end-of-the-year picnic and visits to local restaurants for dinner meetings.

The Library Club princess was Miss Paula Long.

Terry and McAuliffe Lead Band

Creating the greatest opportunity for student musicians to perform in a skilled organization was the purpose of the band. Drum majors Tracy Terry and Serge McAuliffe; twirlers Jolene Seidel, Charla Roller, and Kris Bradley; and the flag corps led the fifty-plus group through marching activities in the first semester.

Concerts, District, and State competitions highlighted the second semester's activities. Practice was held each morning at seven o'clock to insure the winning of the superior and excellent ratings received by the band in those competitions.

Sophomore Raymond Wall, the first from Carl Albert since 1964, was named to the Oklahoma Baptist University Honor Band and the All-State Honor Band.

Raymond Wall is an All-State Band member.

Trombonist Jimmy Fields steps out in the Homecoming Parade.

DECA Teaches Business Management

Work plays a major role in every American's life. Distributive Education gives students the opportunity to learn business management, finance, and marketing. Also, members of DECA have the opportunity to gain employment and experience through the assistance of the school.

The Carl Albert Chapter of DECA sponsored many projects and fund raisers throughout the year. From October through December, Gold "C" coupon books, chocolate bars, and Napoleon Nash gift certificates were sold to raise money for the eighteenth annual Employee-Employer Banquet which was held in April. In March the chapter sold candy sticks to raise money for expenses for the annual State Conference in competition with other DECA members throughout the state.

Anyone who participates in DECA must hold a part time job (at least fifteen hours per week) while attending school and must also attend the Leadership Conferences held at Central State University.

Spook House and "Psycho" Highlight Drama Club Year

The Drama Club and the junior class co-sponsored a showing of the classic horror film, "Psycho," in October. To further add to the spirit of the Halloween season, the annual spookhouse was presented for student "enjoyment!"

The club conducted the annual "Ugly Man" contest; and, in addition, hosted "Peter Pan" for the Mid-Del elementary students.

Capping the year were the Box Office Awards and banquet which honored the finest performances in the year's theatrical productions.

Officers for Drama Club were Hardy Watkins, president; Phil Meadows, vice-president; LeAnn Davison, secretary; Sherri Savage, treasurer; Barbie Burns, business manager; and Becky Marler, historian. LeAnn Davison represented Drama Club in the annual Miss Titan Pageant.

F.F.A. Sponsors Local Stock Show

The Future Farmers of America was one of the most active clubs on campus. Late in August it sponsored the first annual Fall Titan Show which not only included judging animals and plants, but also decorated cakes.

Members Dee Dee Pierce, Tom McCaslin, and Bob Blankinship took first place at the Oklahoma Junior Horticulture Convention in Stillwater, Oklahoma. In the contest the students took a series of tests identifying over one hundred different kinds of fruits, vegetables, and nuts.

Winning fourth place in the Homecoming Parade float contest was the club's entry, "Titan Alien." The members also entertained parade viewers with their horses and tractors. Miss Vicky Boulware represented the F.F.A. in the Miss Titan Pageant and the State F.F.A. Sweetheart contests.

Learning to care for land and animals are primary concerns of the F.F.A. This attitude is best stated by their motto: Learning to do, Doing to learn, Earning to live, Living to serve. The club's national emblem is worn by every member and is significant and meaningful in each of its details — the owl, symbolic of wisdom and knowledge; the plow, symbolic of labor and tillage of the soil; the rising sun, emblematic of progress and the dawning of the day when all farmers are trained and have learned to cooperate; the cross section of an ear of corn, representative of common agricultural interest; and the eagle, indicative of the national scope of the organization.

F.H.A. Stitches Christmas Stockings for Children's Hospital

The Future Homemakers of America experienced a busy year. They traveled to Western Heights High School for a district meeting and to Oklahoma City for the State Rally. The theme of both meetings was "We Are Family."

In December the club made two hundred Christmas stockings for Children's Hospital in Oklahoma City. Personalized school spirit jeans were sold to provide treasury funds. Cynthia Brinlee represented the F.H.A. in the annual Miss Titan Pageant.

Pom Pon Squad Captures Award of Excellence

The Pom Pon Squad captured the award of excellence at the University of Oklahoma during the Thunderhawk Pom Pon Clinic. The Squad was also presented with a trophy for their home routine, a sweepstakes trophy, fifty individual and group ribbons, and obtained the spirit stick for

three consecutive days.

The girls held a car wash during the summer to raise money for expenses incurred in attending the annual Clinton, Oklahoma, Hub City Basketball Tournament.

Time and effort were expended

practicing and creating routines which were performed at all home games. The squad also attended all away games to provide support and enthusiasm for the team. The Squad was sponsored by Coach Terry Dean and his wife Rhodonda.

Key Club Active in School and Community

Key Club is a community service organization striving to better C.A. as well as the city of Midwest City. "The members of Key Club are outstanding students and people," stated President Barry House. "We maintain a high level of quality among our members."

That fact was evidenced by the amount of work completed by the club. Besides sponsoring the annual free-throw contest, they also held two blood drives, one in the fall and one in the spring. In December, sixteen members attended the Leadership Development Institute, an experience designed to inform and educate the persons attending. "We attended the Conference at OU instead of the National Conference because the OU trip was more of a learning experience," stated Delmer Heck, sponsor. "Although a few members were disappointed because we did not go to the National Conference, we expect to continue attending the conference at OU."

Another activity sponsored by the Key Club was the powder puff football game. It was hailed a success by the players and the almost two hundred avid fans who attended. Other activities included assisting their sponsoring club with the annual Pancake Day and the once-a-month trip to the nursing home to play bingo with the senior citizens. To raise money, club members ran the Kiwanis Club Christmas tree lot for two weeks. All profits were credited to the Key Club account to help defer the cost of jackets for members.

Youth for Christ Again Active on Campus

The Youth for Christ organization was the first active club of its nature at Carl Albert High in several years. The members enjoyed meeting friends at school, sharing their faith, and learning more about the type of life that God would have them to live. The discussion-type meetings were held at lunch time twice each month. The Thursday night meetings featured pastors from area churches as guest speakers.

The club encouraged daily growth in being more Christ-like and stressed service to the community and to fellow students. Members also enjoyed informal get togethers in members' homes, at weiner roasts, and various fund raising activities.

The Vocational Industrial Clubs of America was an organization designed to train students in specific vocations. V.I.C.A. members were students from Carl Albert, Midwest City High, and Del City High. Experience was the primary teaching tool used in the program. Students who took advantage of the programs offered by the Vo-Tech School had the opportunity to increase their understanding and knowledge in individually desired areas.

Banquet Recognizes Honor Students

The National Honor Society members have specific qualifications that make them worthy of recognition. The qualities include character, citizenship, leadership, scholarship, and service. The top members of each class in both academics and leadership dominate the honor society.

Members raised money by telephoning voters on election day. This, plus dues, helped to finance the banquet held in honor of the new members.

Members already in honor society are re-evaluated annually by the faculty and must maintain a 3.5 grade average. New applicants are evaluated and must have faculty approval. Sophomores must have a 3.8 grade point average or above to be eligible and juniors and seniors must have a 3.5 cumulative grade average.

Oklahoma State Honor Society consists of the top ten percent of the student body in academics. Membership depends only upon the student's ability to maintain a high grade point average. Membership can be ended if the academic requirements are not met.

School Service

Keys Stuco Year

The Student Council's primary objective was to improve its image as a service organization for the students of Carl Albert Senior High. The Council planned, organized, and sponsored all activities of Howdy Week and Homecoming. They also planned all assemblies and sponsored dances throughout the year. The STUCO again hosted the annual Miss Titan Pageant, "That's Entertainment." Another major undertaking of the Council was the redecoration of the student lounge.

The Student Council was led by President Hardy Watkins. Other officers were vice president Phil Meadows, secretary Kelley Borum, treasurer Craig Dawkins, and Chaplain Paula Eastham. Members-at-large were Janet Cravens, Kelley Jay, Monica DeWarns, John Townsend, Heather Cormack, and Kim Eastham. Charles Tweed and Jana Frame were the club's sponsors.

Varsity Cheerleading Squad Expands to Nine

The varsity cheerleading squad was increased to include nine girls. At the University of Oklahoma Thunderhawk Cheerleading Clinic, the squad won four superior ribbons, a superstar squad ribbon, and a spirit stick. They were also chosen as one of the top nine squads in competition for the award of excellence.

Despite the fact that there was no organized pep club, the cheerleaders promoted school spirit throughout the year with their support of all sports' activities.

The cheerleaders, a dedicated group of girls, enlivened each game they attended. Their devotion, time, and efforts were definite assets to the school's sports program.

Contests Fill Chorale Year

Chorale members were selected by audition and performed concerts with selections ranging from classical to contemporary. The chorale attended the District Contest held at Central State University, Edmond, Oklahoma, and the Tri-State Contest held at Phillips University in Enid, Oklahoma. Many members entered solos and ensembles in District competition at Bethany Nazarene College in Bethany, Oklahoma. Four chorale members, Melody Cope, Alecia Williams, Jolene Seidel, and Dan Lucas, attended the State Contest after capping a superior rating at District Contest.

The Soundsations was a select group of ten students selected by audition. Besides performing at numerous civic club meetings, school banquets and assemblies, the Soundsations also entered contests especially designed for small group ensembles.

Mike Plunkett, new Chorale director, was supported by student officers Michelle Hunt, Laura Slempe, Shirley Burke, Paula Eastham, and Kevin Smith. Jolene Seidel represented the Chorale in the Miss Titan Pageant.

Staff Chooses Country Theme

Pictures, designs, copy, and deadlines are all parts of yearbook production. Efforts in these areas are unknown to the student body. Money is another major factor in production. To encourage student participation, the staff had a one day special price for the yearbook. Though the fifteen dollars sale price represented a loss on each book, more students did have a chance to buy a book. Exactly 400 books were sold in just six hours. The staff also sold senior T-shirts and extra photographs to help finance the yearbook.

The staff's selection of the theme of the book "We're a little bit country," fits into the popular "Urban Cowboy" fad, proving that the "little country school" was at least ahead of all others in fashion.

Ron Springfield was advisor for the book, and Daryl Wilson was the photographer. Co-editors were Craig Dawkins and Hardy Watkins, and Janet Cravens served as Business Manager.

The staff worked many hours designing and preparing page layouts. Many pictures were taken and then sifted through to find the right ones to compliment the book and its theme.

Junior staffers, Kevin Smith, Daryl Wilson, and Stephanie Smith, join the spirit of the yearbook's theme, "We're a little bit country."

New Coach Leads "Marvelous"

Debuting as head coach at Carl Albert, Al Miller led the Titan football team to an impressive 8-3 season. Prior to the opening game of the season, many sports-writers branded the Titans as "Marvelous," the year of "Captain" Marvel Rogers.

In the Titans first encounter of the season, they faced a young Yukon team. The heavily favored Titans were sluggish, though. Their inability to move the ball on offense and to stop Yukon's passing attack on defense made the game extremely close. Rogers saved the night, rushing for 173 yards on 23 carries and scoring two touchdowns. His first score came on a one yard plunge and his second on a 28 yard run. The only other points were earned on a field goal by Craig Dawkins, quarterback. The final score was Carl Albert 18, Yukon 16. "We got tired and didn't keep our mental toughness defensively," stated Coach Miller; however, he also stated, "Overall we played well enough to win."

After the close Yukon game, Coach Miller said, "We're going to get better," and they did. The Titans faced the Capital Hill Redskins in their second game. The Titans went wild! Rogers paced the game by scoring three touchdowns. He scored on a 45 yard run, a 35 yard pass reception, and a 90 yard punt return. Dawkins added

three points by kicking a record-setting 55 yard field goal, and Demetrius Robinson scored on a ten yard strike early in the second quarter. The Titans went on to defeat the Redskins by a score of 30 to 7.

Putnam City North was the next victim to visit Harris Stadium in a game predicted to be a head-on battle. Predictions proved false as the Titans defeated the Panthers 20-0. The Titans' offensive machine rolled; and the defense was perfect, allowing no points for the Panthers. David Shelburne scored the first touchdown in the game and his first for the year.

With momentum on their side, the Titans traveled south to play number one ranked Marlow, Oklahoma, a game predicted to be a toss-up. The game matched the number one ranked class 2A team with the number three ranked team in class 3A. Tension was high as the fans eagerly awaited the match; however, the game was never close as the Titans rolled over Marlow by a score of 28-14. Rogers and Shelburne led the Titans with 168 and 155 yards respectively. Miller stated, "Rogers and Shelburne did a great job, but it was really the blocking of the front line that did the job." Marlow's points came late in the fourth quarter.

After defeating number one ranked Marlow, the overconfident Titans

went into the Western Heights game sluggishly and unable to move the ball effectively against the Jets' defense. Rogers again provided the spark needed to defeat the Jets. He ran for two touchdowns, an 80 yard streak and a one yard plunge to put the Titans on top 12-0.

The fans' game of the year was next on the schedule. Carl Albert was to meet for the first time in history the 4A powerhouse Putnam City West. Both teams were undefeated and both were proven. A weak win the week before reminded the Titans that they had to play better to beat West. A slow first quarter was only the forerunner of what would be a Patriot romp. It wasn't that Carl Albert played badly but that West played exceptionally well. The Titans were defeated 28-0.

Bouncing back from the West loss, the Titans traveled to Guthrie, Oklahoma. Taking the opening kickoff, the Titans marched 83 yards in 17 plays to take a lead that was never relinquished. Rogers rushed for 151 yards on 35 carries and had scoring plunges of one and two yards to put the Titans on top 19-7.

The next stop for the Titans was Chickasha, Oklahoma, to face the Chickasha Chicks. Chickasha, winless in all previous conference games, posed little threat to the Titans. Rogers and Shelburne each scored three touchdowns to lead Carl Albert to a 48-28 triumph. Rogers had 147 yards on 24 carries, and Shelburne had 128 yards on 13 carries. The defense had trouble with Chickasha's passing attack and Chickasha connected for 28 passing points.

The Titans returned to Harris Stadium for the next game against El Reno. It was Homecoming and the Titans were ready to play ball. A win would cinch a spot in the state playoff games. The Indians took the opening kickoff and barreled to the Titans' six yard line. The Titans saved a touchdown when El Reno fumbled the ball, and Billy Richmond recovered the fumble. It looked as though the Titans might be in for a long evening when the first two plays netted a measly two yards. On a third down play, Jeff Moore streaked down the field and received a 90 yard touchdown pass, the longest touchdown

Quarterback Craig Dawkins breaks through the El Reno defensive line.

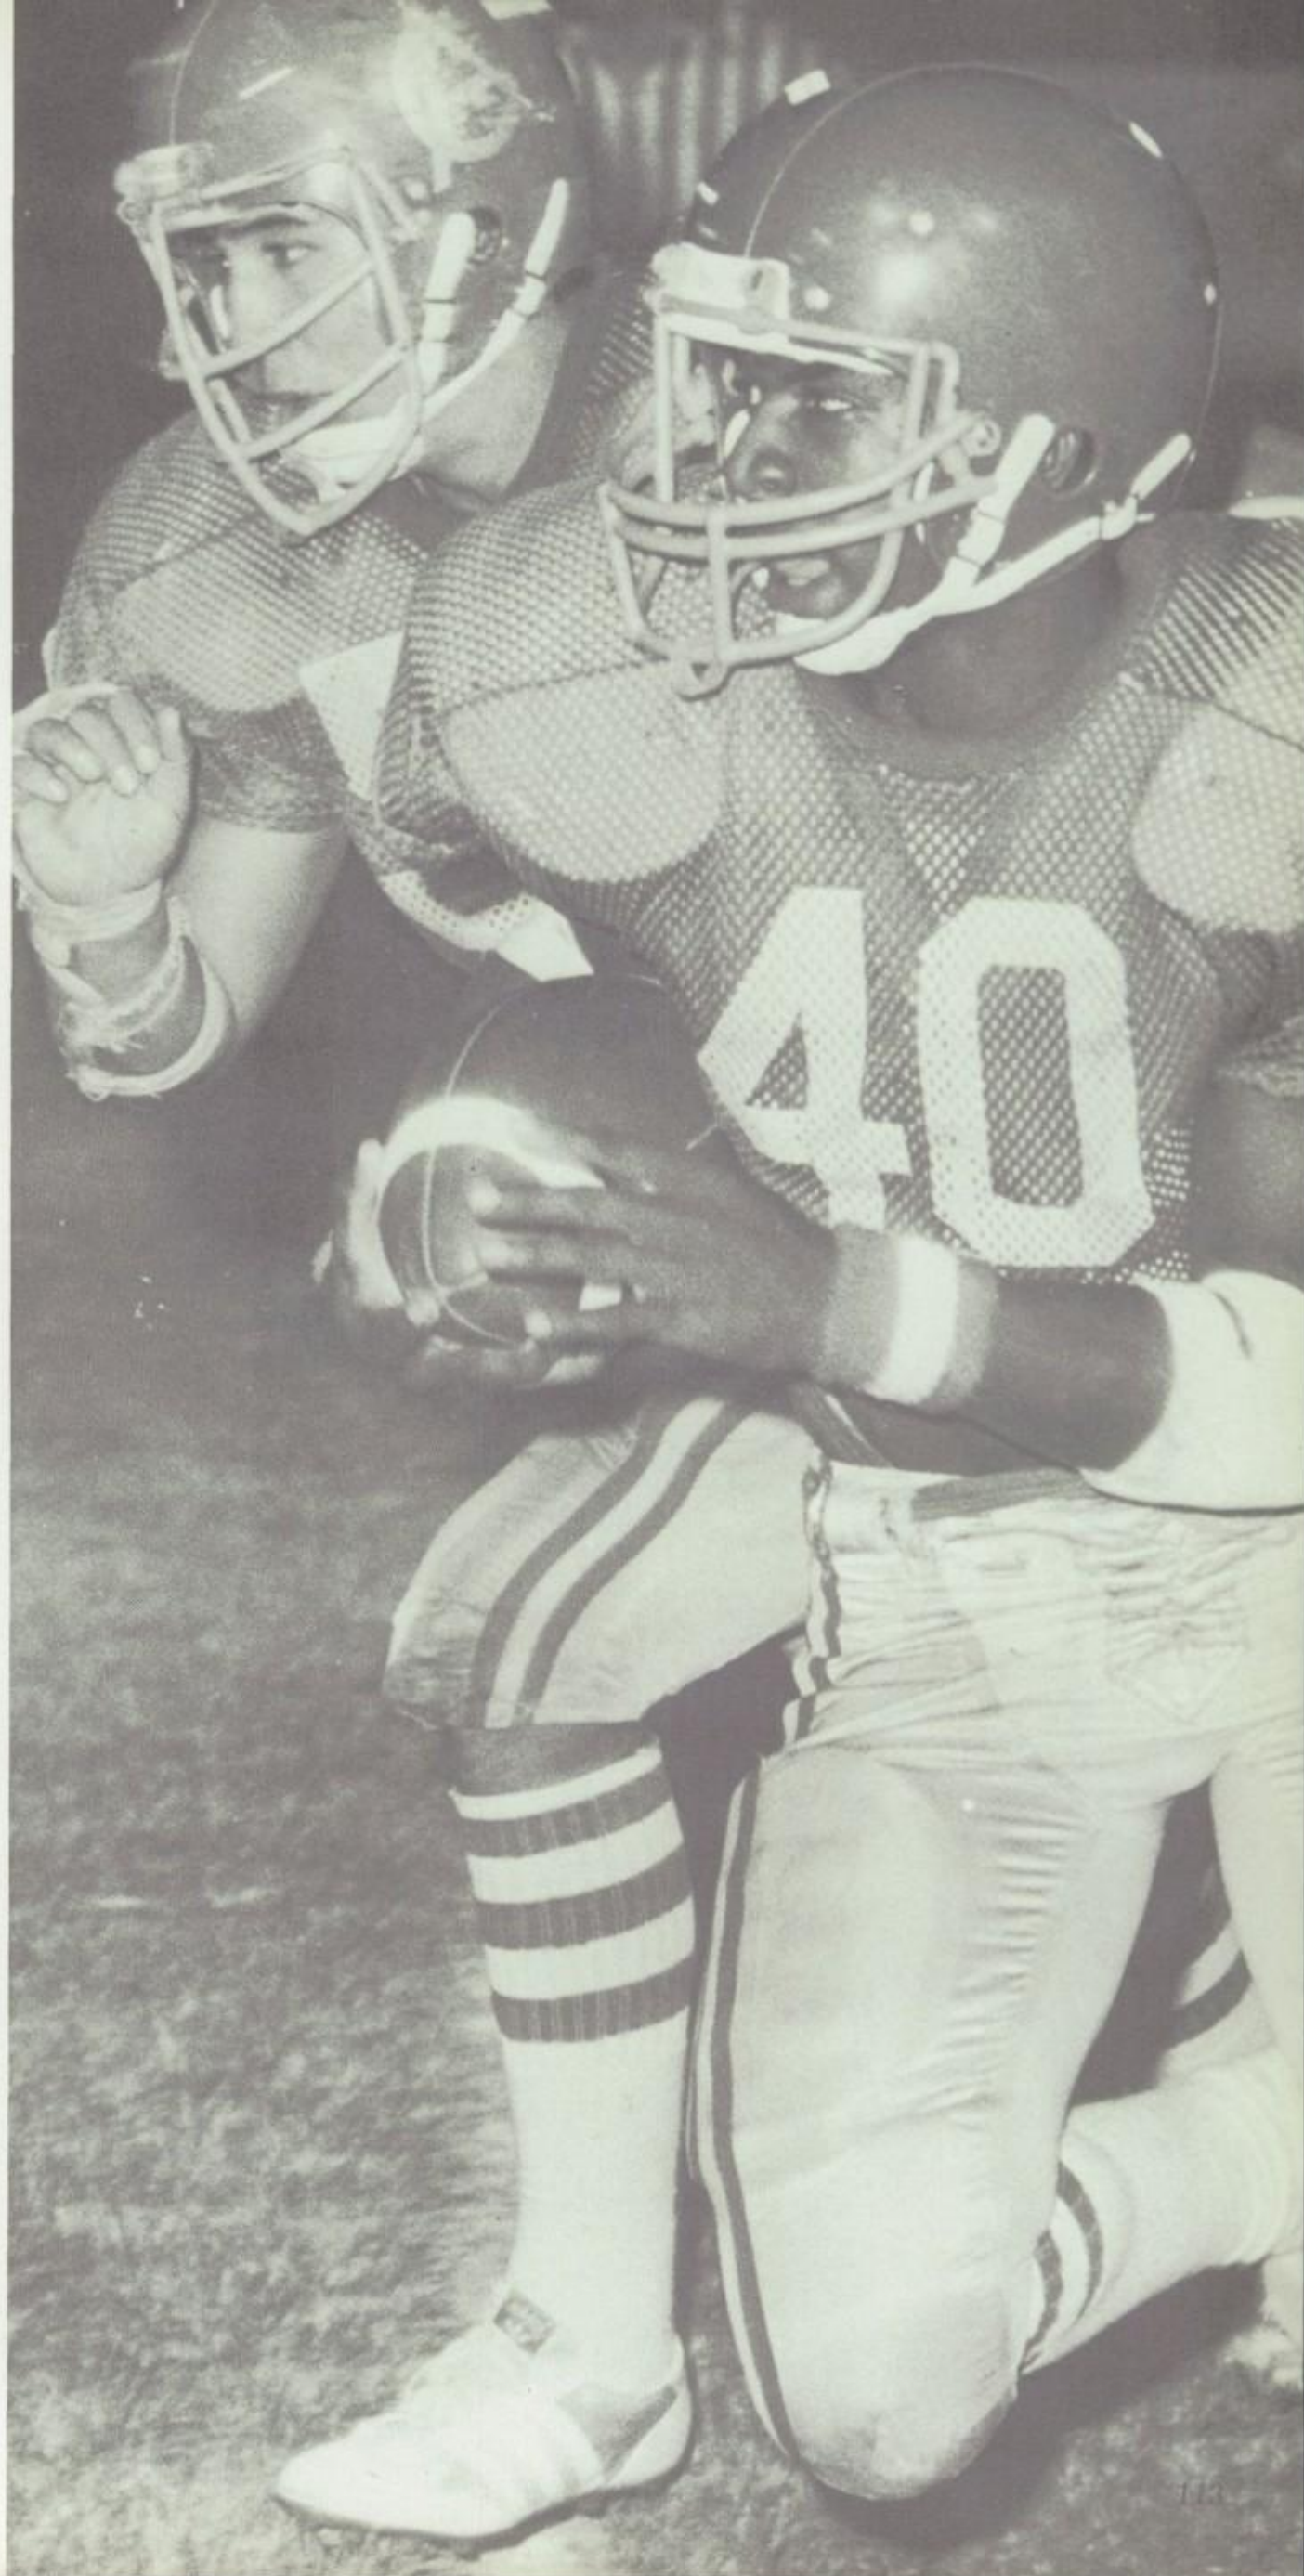

Titans

pass of the year, to spur the Titans to defeat the Indians 24-0.

With a playoff spot assured, the Titans went into the last regular season game. They were to meet the Mustang Bronchos for the District Championship. Most of the sports-writers heavily favored the Titans; but, after a hard fought first half, the Titans held a slim lead of 6-0. In the second half, the Mustang Bronchos combined a skillful passing attack and kicking game to defeat the Titans 9-6.

After losing the District Championship, the Titans, District runner-up, were on the way to Duncan to face the Demons and capture a first-ever playoff victory. The Titans had trouble with the weather, the field, a slick ball, and some untimely injuries; but mostly they had trouble with a determined Duncan defense. Late in the game, Shelburne did score on a three yard plunge. The State Championship games were denied again as the Titans went down to defeat, 21-6.

Even though the Titans didn't continue into the play-off brackets, several Titans achieved outstanding marks. Jeff Moore, James Oxford, Craig Dawkins, Anthony Nibs, Cary Shadid, David Shelburne, Bo Peeler, and Ronnie Cox made All-Conference and All-District teams. Marvel Rogers was named District and Conference Player of the Year. Rogers also received the KOMA-Dr Pepper Player of the Year and All-City Back of the Year Awards. Anthony Nibs and Craig Dawkins both made the All-City list.

Roundballers Drub Texas Powerhouse in Hub-City Tourney

After a slow 1-8 start, the men's basketball team used the Clinton Tournament as a confidence builder to lead to a strong finish and end the season with a 9-14 record.

The basketballers and Coaches Terry Dean and Jim Cunningham began preparation for the season in early August in anticipation of the December 2 opening game against the Ada Cougars. The Titans held leads of ten and eleven points in the second quarter and a nine point halftime lead. The Titan's advantage dwindled in the second half and the Cougars grabbed a narrow 48-47 victory.

The sole victory for the Titans in the first nine games was against Bartlesville Sooner in the Southeast Invitational. Each loss was by a very narrow margin.

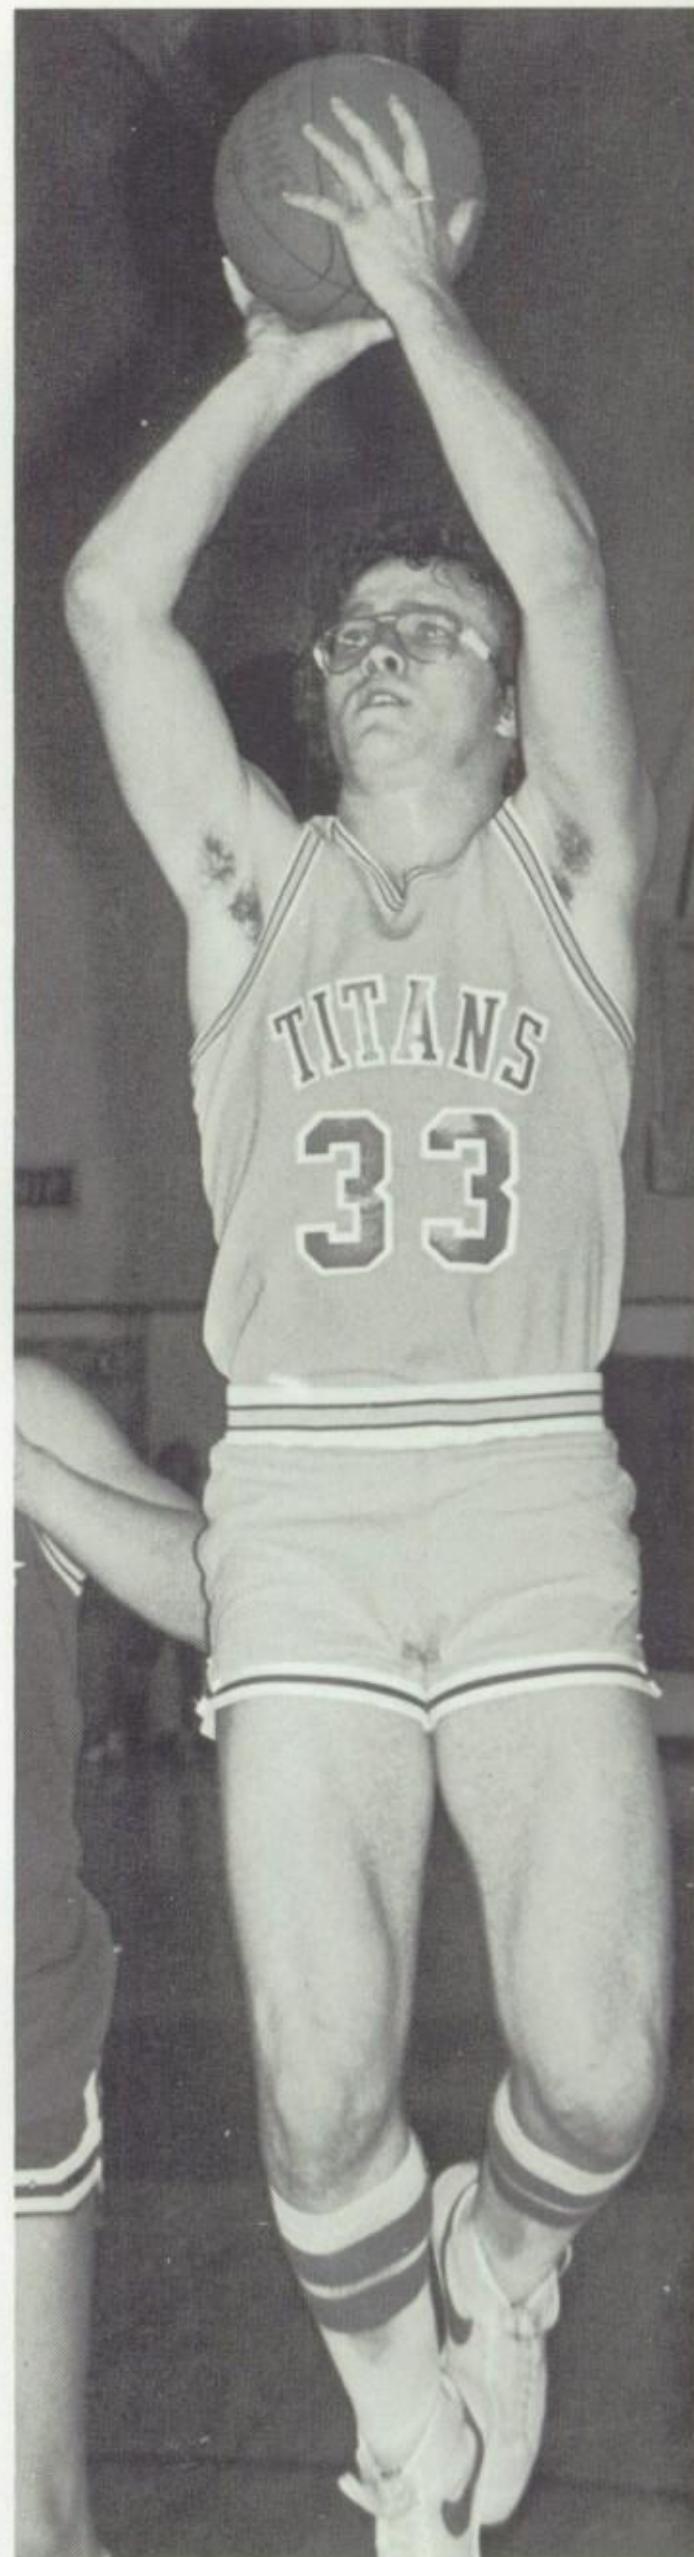

After rough two-a-day practices during Christmas vacation, Dean's crew traveled to Clinton, Oklahoma, for the 13th annual Hub-City Invitational. Carl Albert was seeded fourth; and an unimpressive 46-44 victory over Elk City on the opening afternoon set the stage for the semi-finals the following night. The Titans foe was Perryton, Texas. Ranked number one in class 4A in the state of Texas, the Perryton team had a record of fifteen wins and no losses. Senior Kevin Walker hit a jump shot at the end of regulation play to tie the game and send it into overtime. In the overtime period, senior Richard Favata hit a basket with three seconds remaining to give the Titans an exciting 54-53 victory. In the finals against Purcell, the Titans used key steals by senior Marvel Rogers and clutch shooting from Walker and junior Terry Gaddis to hand Purcell a 56-48 loss and a claim to the championship trophy.

After winning the Clinton Tournament, the roundballers completed the season with victories over El Reno, Western Heights, and Mustang.

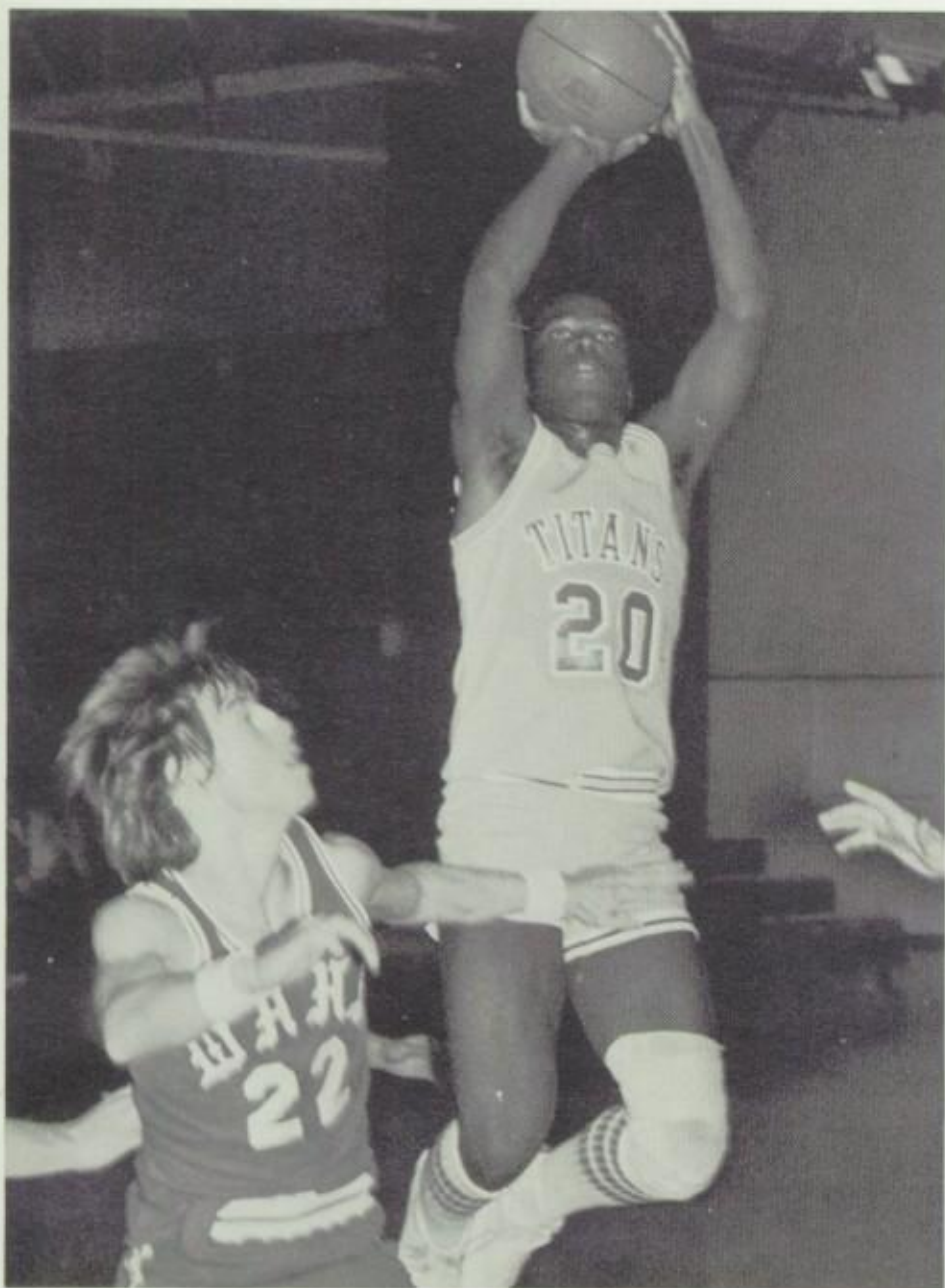

Senior Richard Favata led the men's team in scoring with 309 points in twenty-three games. He held a fifteen point average throughout the season and was named to the All-Tournament Teams in the Clinton and Southeast Tournaments. He was also named the Most Valuable Player in the Hub-City Tournament where he scored 50 points in three games.

Senior Stan Olive led the team in rebounds with 168 total rebounds for the year. In the season, Olive scored 176 points, Walker scored 102 points and seventy-nine rebounds, and Rogers scored seventy-eight points and eighty-one rebounds.

Dean will return two starters, Terry Gaddis and Jay Price. Gaddis scored 269 points and had eighty rebounds, and Price had 192 points and forty-one rebounds. The roundballers averaged fifty-two points per game and shot forty-six percent from the field.

High-scoring Richard Favata makes his bid for another two points.

Girls Reach Area Tourney

The lady Titan Basketball team, coached by Robert Honey and Steve McIver, ended the season with a loss to Ardmore in the Area Tournament and an 11-12 season record.

The lady roundballers captured second place in the Carl Albert Invitational Tournament with defeats of both Northwest and Star Spencer. They were kept away from the championship trophy when high-ranked Shawnee defeated them by a single point.

In other tournament play at Deer Creek, the Titans placed second, also. They defeated Crooked Oak and Deer Creek, losing to state contender Lawton Ike.

In conference action, Honey's crew was 5-5 and in third place with victories over Chickasha, El Reno, and Guthrie.

Starters for coaches Honey and McIver were Paula Long, Vickie Johnson, Shelly Fox, Janice Porter, Joyce Weatherby, Allison McGinnis, and Sandra Nibs. Other team members were Tonya Terry, Irene Diaz, Susan Fennell, Renae Wallace, Kim Lundy, Deena Carney, Kathy Baker, and Paula Kauth.

Seniors Paula Long and Janice Porter were voted to the All Tournament Team in both the Carl Albert and Deer Creek Tournaments. Vickie Johnson and Sandra Nibs were also voted to the All Tournament Team at Deer Creek.

Long was the second all-time leading scorer at Carl Albert with 898 career points. She had a nineteen point per game scoring average during the season. Porter finished with 188 rebounds and 118 stolen balls.

New Coach Spurs Wrestling Team

Under the coaching of new coach Malcolm Wade, the 1981 Carl Albert wrestling team had one of the best seasons in recent years. Led by seniors Anthony Nibs (24-10, 16 pins) and Rance Morrison (22-4, 14 pins), the Titans won more dual matches than in the previous two years combined. Although injuries hampered their efforts during the latter half of the season, their strong start more than made up for it.

Lack of interest in the previous years forced the wrestlers to forfeit several weight classes in each match. Coach Wade instilled a feeling of pride in the wrestling program that was sadly lacking in previous years. Although some individual matches were forfeited, they usually did not affect the final score.

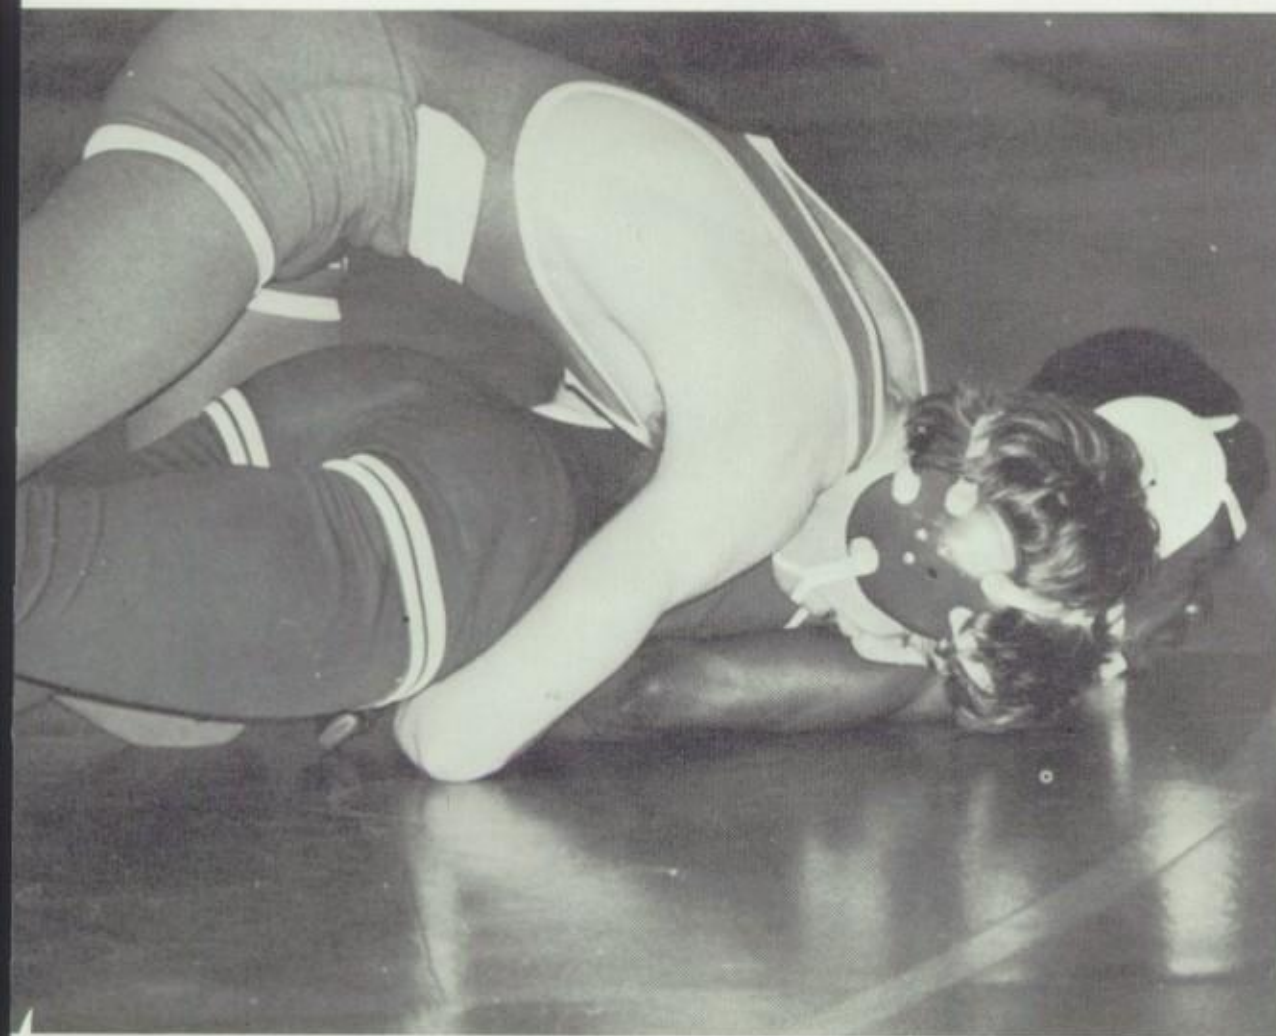

With a first place finish by Morrison and a second place finish by Nibs, the Titans finished third in the Carl Albert Tournament. Sophomore Jeff Davis and Juniors Wes Wyatt and Robbie Comes also placed for the Titans. At the Chickasha Tournament, seven Titans placed as Carl Albert finished second, the highest finish at any tournament in recent years. At the Regional Meet, Nibs finished fourth and went on to place fourth in the State Finals.

The gold team teed off for a successful season. Ben Hein, returning senior, shot a 77, the best round of his career, at the 3A Regional Tournament held on April 27 and 28 at the John Conrad Regional Golf Course, Midwest City. The team placed fifth of ten teams, missing fourth place by one stroke.

Coach Steve Speegle stated, "Over all it was a good season with a little disappointment in the Regional Tournament, but next year is promising because the team is young and will improve."

Solid Pitching and Big Bats Pace Titans

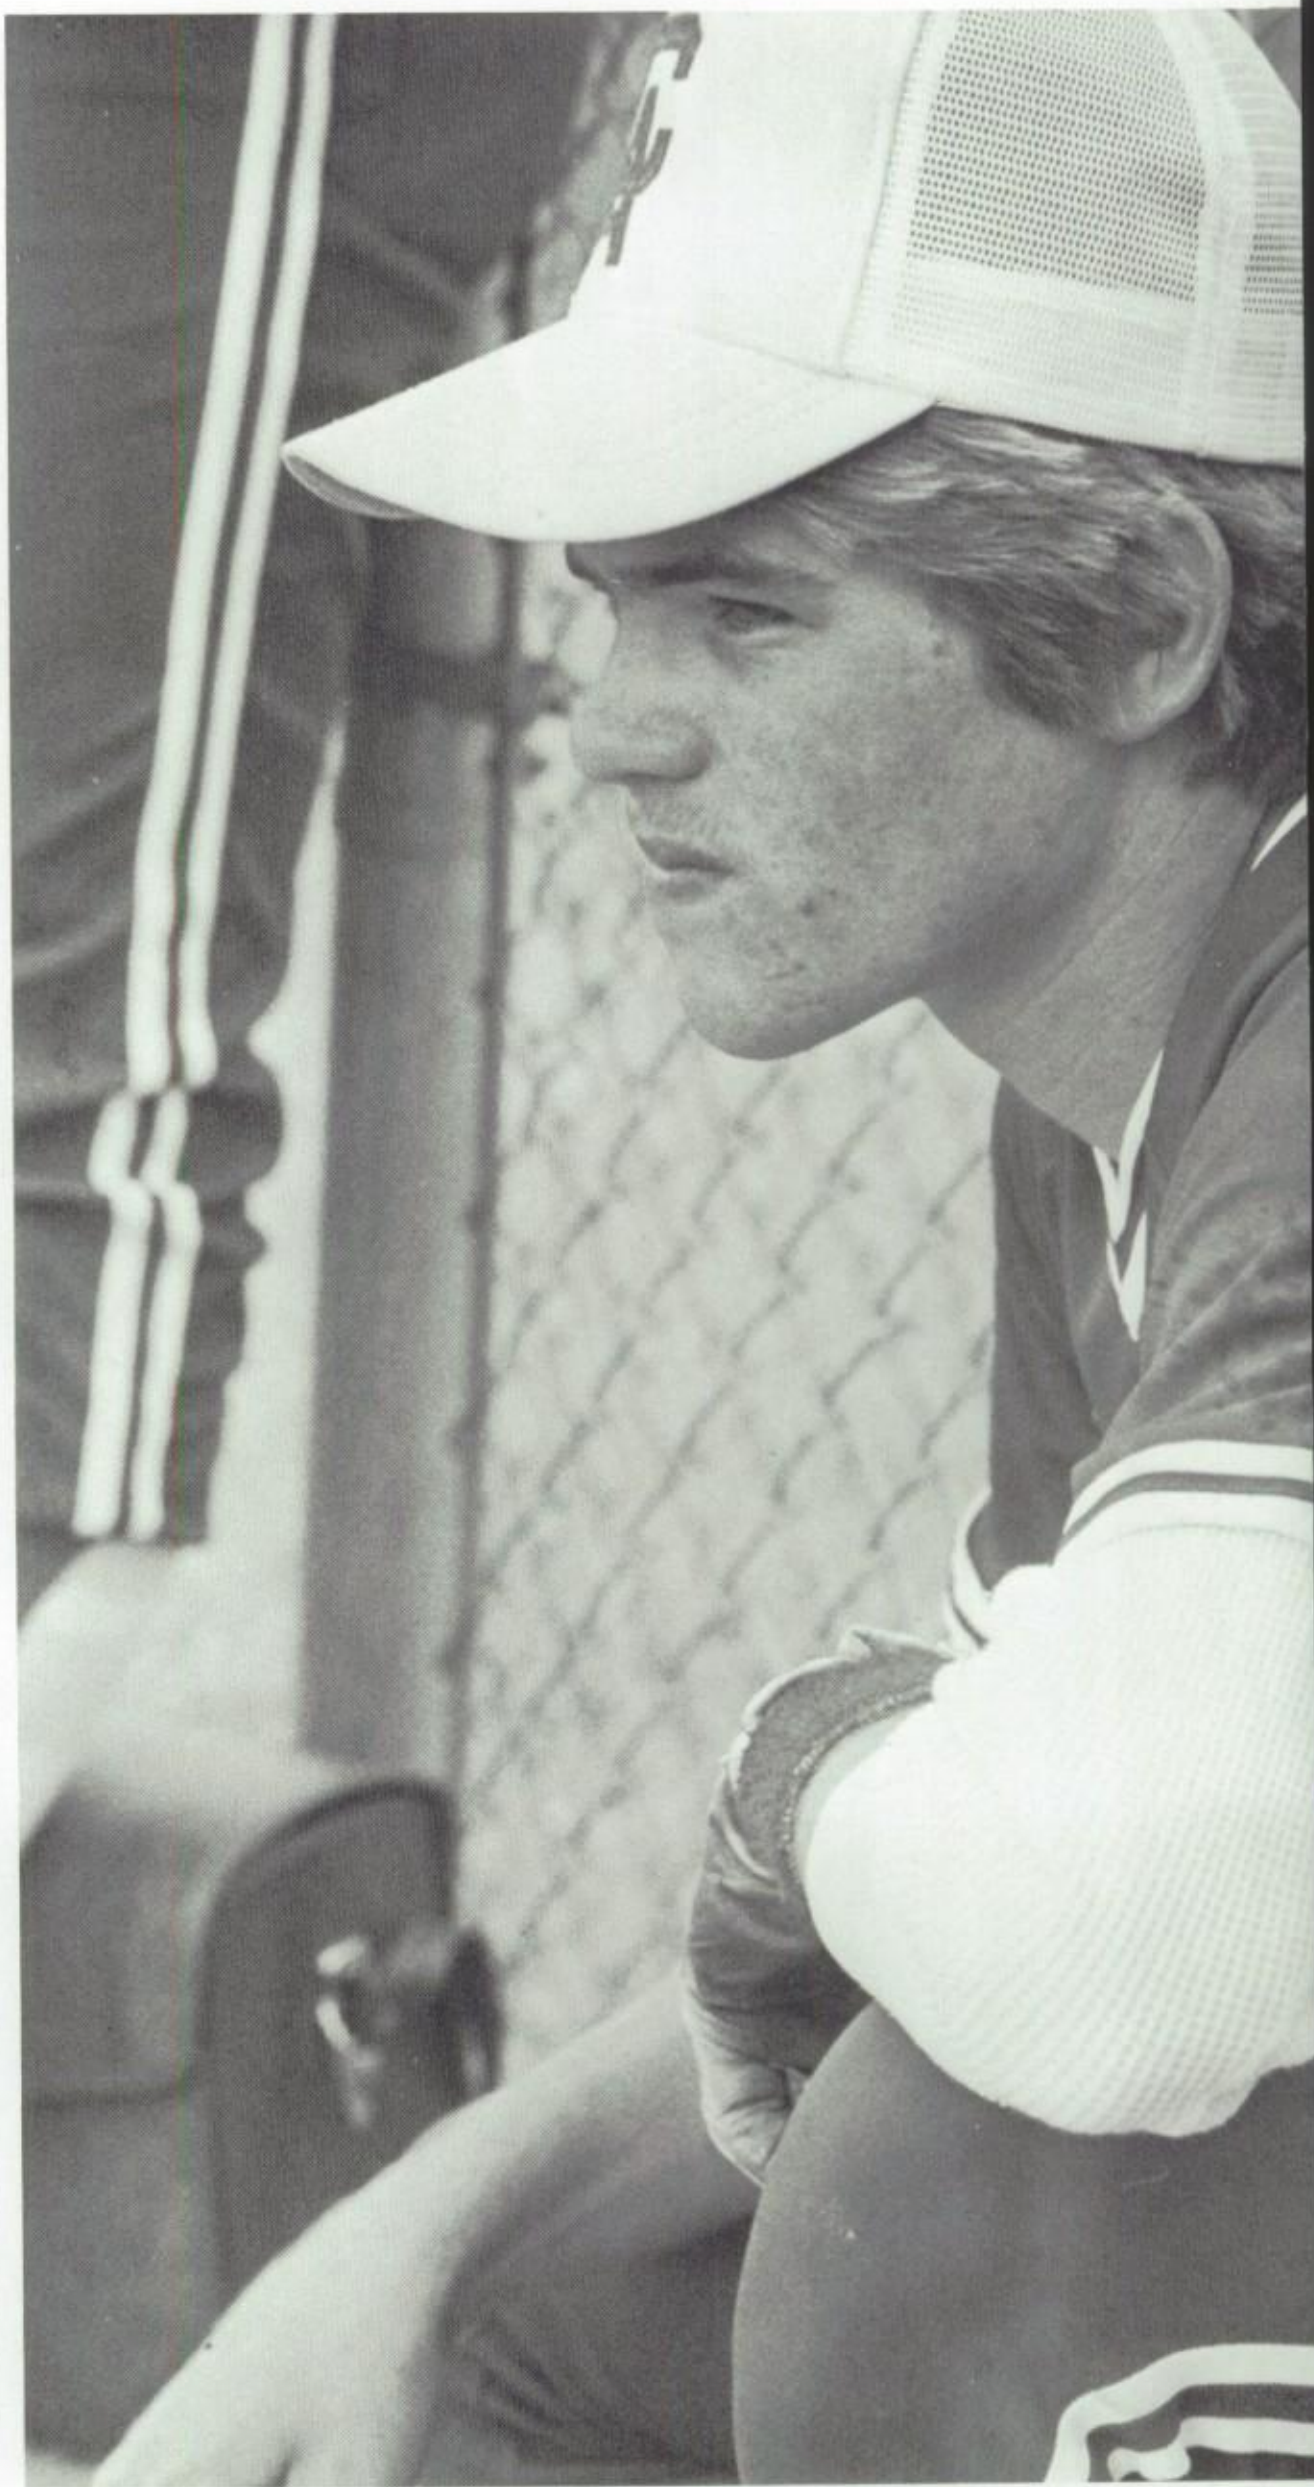

The Carl Albert baseball team slammed into the season with a typical start by winning their first 18 of 19 games. The Titans were ranked number one early in the season by the *Oklahoman and Times*. After tromping three of their first four opponents, the Titans went into a seemingly tough Mustang Tournament. After defeating Clinton 8-2, the Titans faced the Yukon Millers, a class 4A power. Big bats proved to be the victor as Jeff Moore, Bo Peeler, and David Shelburne all slammed homeruns for a 4-1 win. The finals proved to be a breeze as the Titans rolled past Tuttle 19-2.

The Titans went into the C.A. Tournament with a 13-1 record. For the second consecutive year the Titans faced the Tecumseh Savages in the final. The outcome was the same as the previous year, the Titans won their second straight tournament championship.

April proved to be a bad month for the Titans since they lost six of the last ten games. Prior to this the Titans appeared to have a Conference Championship cinched, but the losses to Chickasha, Western Heights, and Guthrie vetoed their claim.

The first game in the Regional Playoffs pitted the Titans against Capital Hill. The Titans rallied behind the pitching of Karl Monroe and defeated the Redskins 7-2. The second game paired the Titans with Douglas; however, they proved no threat to the Titans. Northeast, an unpredictable team, was the Titans' opponent in the finals. Northeast was no threat and the Titans defeated them to claim the Regional Championship and a berth in the State Playoffs.

In the first round of the State Playoffs the Titans faced Owasso. Owasso led the Titans through the sixth inning 5-0. In the top of the seventh inning the Titans rallied. Craig Dawkins started the inning with a single and Marvel Rogers drew a walk. David Shelburne slammed a base hit down third base line and drove in both runs. Phil Meadows was hit by a pitch and went to first base. With two men on base, Marty Watkins hit a ball into left field and drove in Shelburne. However, the Titans fell short and Owasso shut them down 5-3.

Senior Karl Monroe, whose pitching record was 6-1 for the season, was a key part of the Titans' success.

Track Men Place Fourth in Regional

A record number of inexperienced tracksters reported to Coaches Wade Gunn and Jim Cunningham for track and field events.

Top performers for the '81 season were Harvey Taylor, Demetrius Robinson, Aaron Martinez, and Teron Gaddis.

The Titans captured a third place win in the Choctaw Meet and received a fourth place in the Regional Meet after placing fourth in the 440 relay, fourth in the mile relay, fourth in the two mile run, fourth in the long jump, and fourth in the mile relay. Junior Harvey Taylor qualified for the State Meet with a second place in the shot put and a third place win in the discus throw.

Johnson and Porter Lead Track Team

With outstanding performances from senior Janice Porter and junior Vicki Johnson, the lady track team qualified for the State Meet. During the 1980 track season, Porter and Johnson claimed three state championships. The long jump belonged to Porter and Johnson gained "the best in the state" in the high jump and in the 880 yard run. The duo was also listed on the 1980 All State Team. This year, Porter qualified for State in the 440 yard relay, the 880 relay, the mile relay and the long jump. She placed third at State in the long jump. Johnson won a regional championship in the high jump and placed in the 880 yard run and the 880 yard and mile relays.

As a team, the ladies achieved the title of Team Champion Runners-up at the Carl Albert Invitational, the Western Heights Invitational, and the Lawton MacArthur Invitational. The mile relay team of Deena Garney, Allison McGinnis, Janice Porter, and Vicki Johnson captured a regional championship. The 440 relay and the 880 relay teams and the mile run qualified for State.

Girls' State, sponsored by the American Legion Auxiliary, was established to further educate young people of state and federal government procedures. Kelley Borum joined approximately four hundred girls from the state of Oklahoma at East Central State University in Ada, Oklahoma, and elected city, county, and state officials and set up the government of Girls' State. Borum, a member of Hiedebrecht City, was named the outstanding citizen of her city and received the honor of being chosen a junior counselor for the 1981 Girls' State.

Boys' State was sponsored by the American Legion. It was also established to further youth's education of state and federal government procedures along with teaching basic military training. Craig Dawkins, Phil Meadows, Bo Peeler, and Hardy Watkins joined seven hundred and fifty Boys' State citizens for a week-long stay at Northeastern Oklahoma State University in Talequah, Oklahoma. Dawkins, a member of Meshew City, was elected Secretary of State to the 1980 Boys' State. Meadows was chosen outstanding citizen of Patrick City while Peeler was a citizen of Baggott City. Watkins, a citizen of Rutherford City, was elected city councilman and State Representative.

Hilton Inn, '81 Prom Site

"Going in Style" set the mood for the 1981 Junior-Senior Prom. This year the Prom was held at the Hilton Inn West in Oklahoma City on April 17, 1981. Music was provided by "Stardust." The Prom was sponsored by the junior class and head sponsors Delmer Brown and Suzie Gordon. The Prom, the annual tribute to the senior class from the junior class, was attended by two hundred and forty students and chaperones.

Bo Peeler and Paula Long confirm their Prom reservations with sponsors Gordon and Thompson.

A Time to Remember

Two hundred and eight seniors reflected upon and relived memories of three years of high school on Baccalaureate Sunday, May 17, and at Commencement Exercises on May 18.

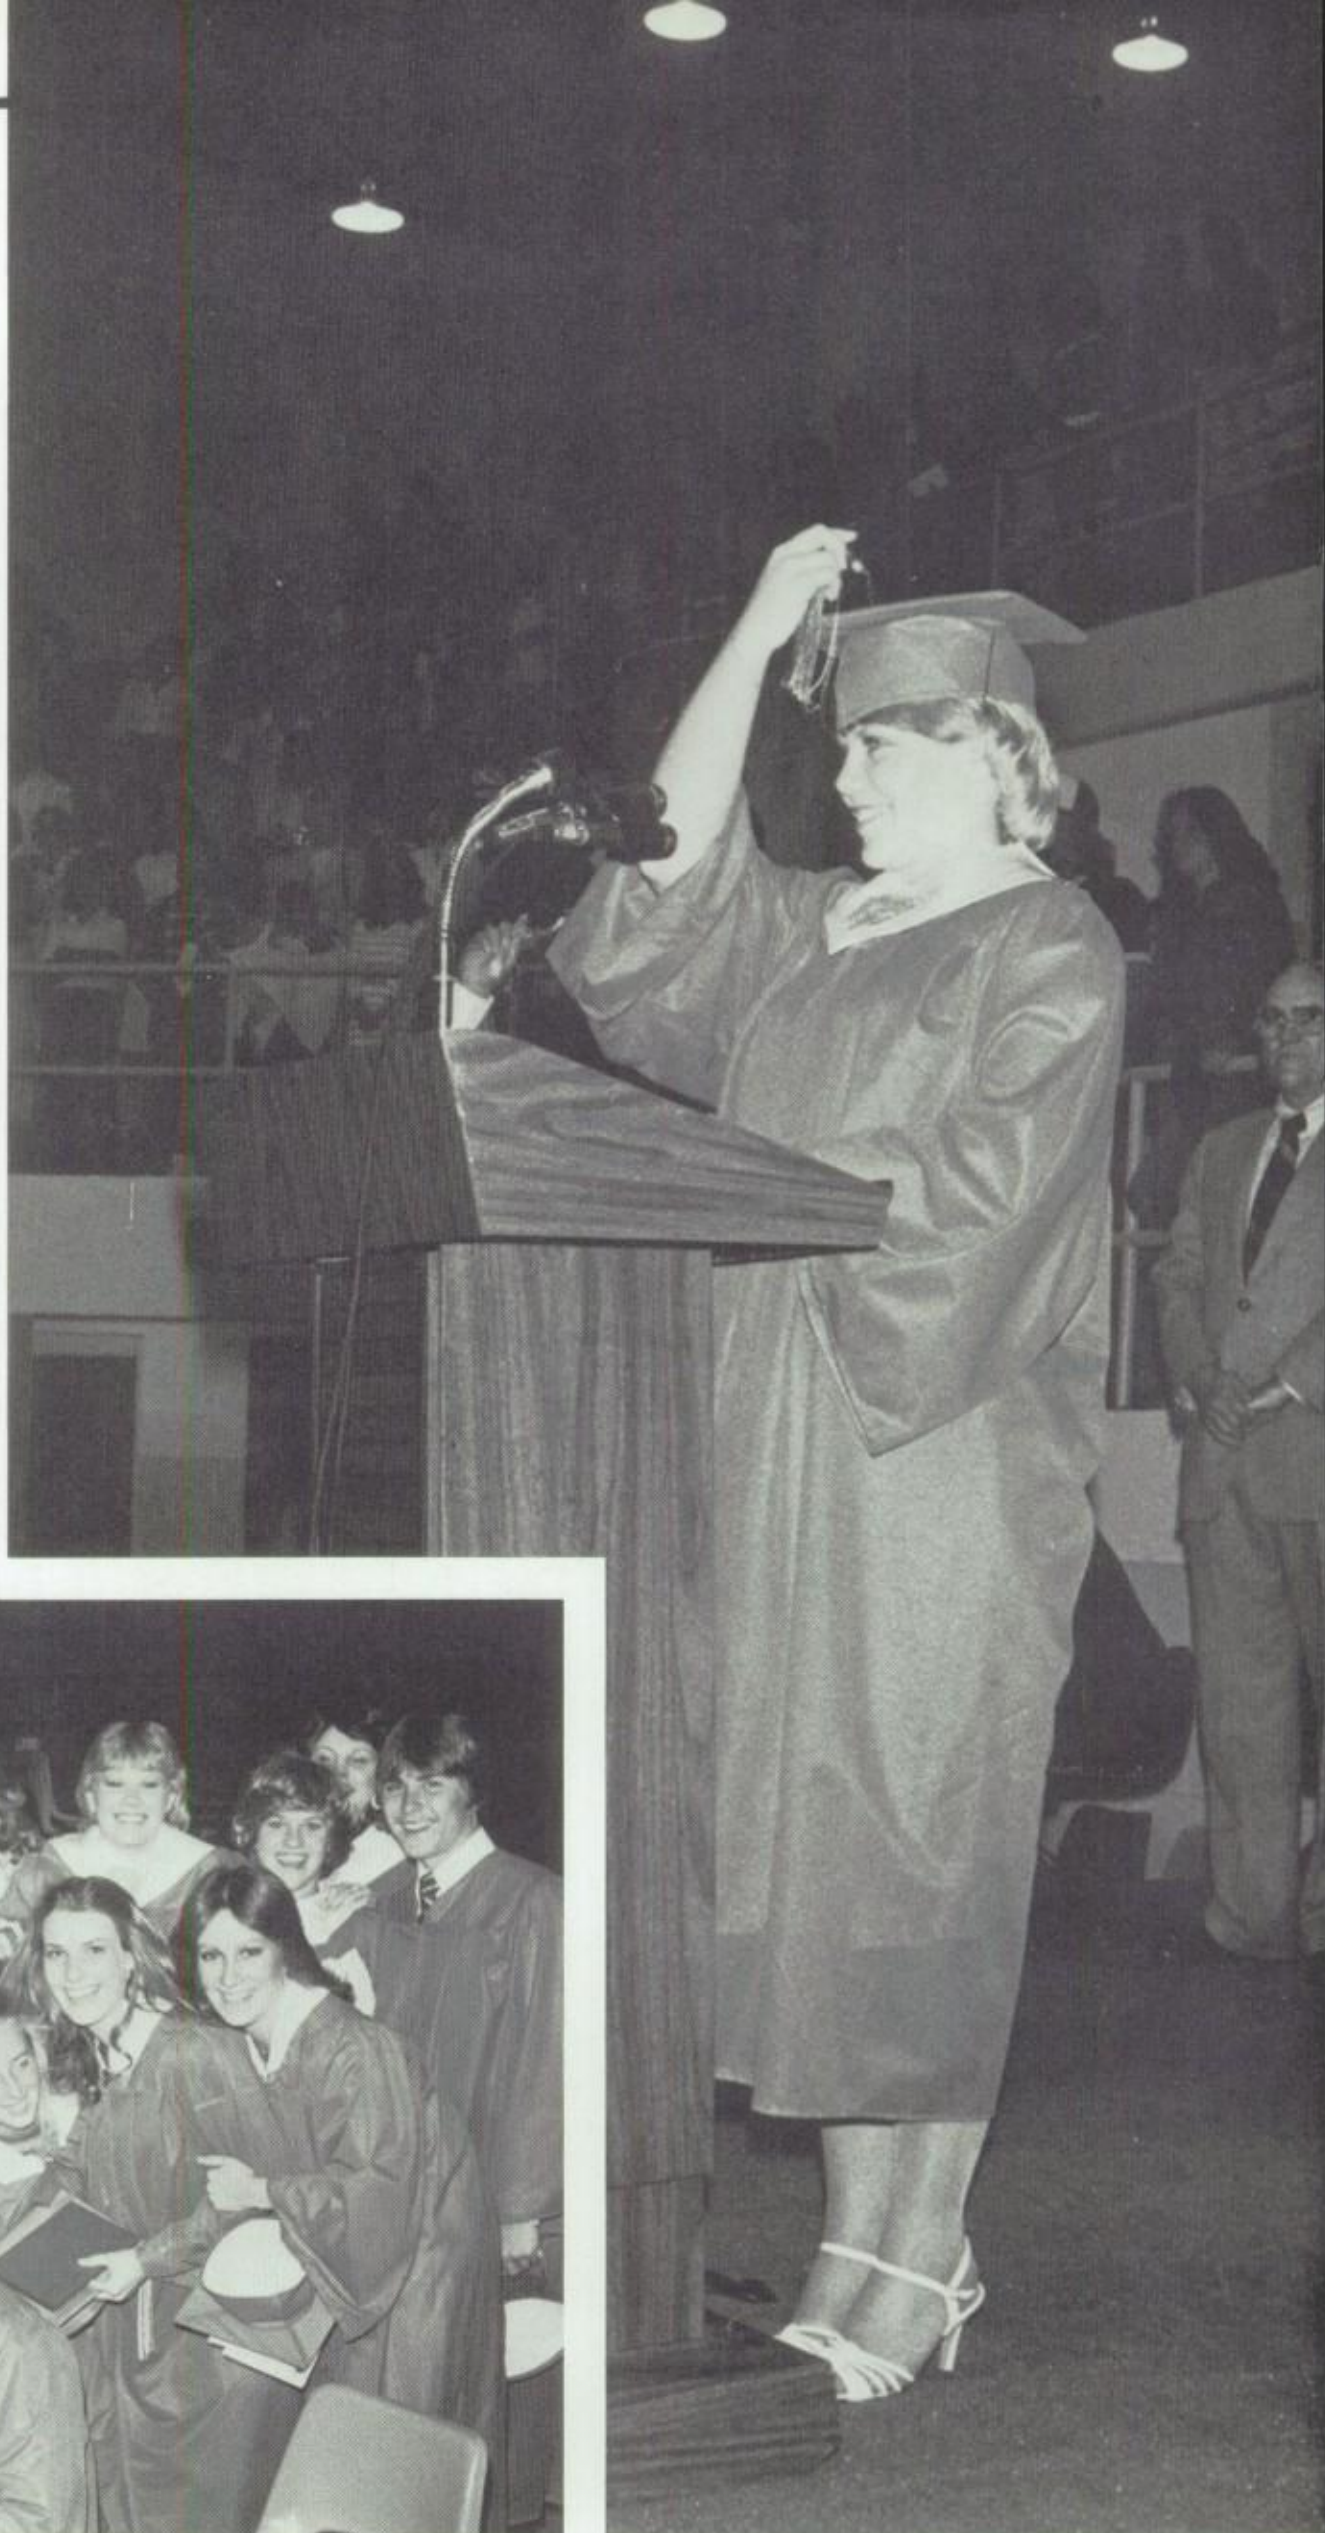

Speaker for the Baccalaureate was Oklahoma University football standout and Youth for Christ spokesman J. C. Watts, and the speaker for Commencement was Jack Bowen, award-winning anchorman for the KOCO-TV news department.

May 18 also marked the date of the annual Senior Luncheon. The Luncheon, held at Desert Oaks Country Club, was entertained by Class President Dean Winstead and Craig Dawkins and Lee Ann Davison.

The round of activities climaxed with the presentation of diplomas by school board members Louise Moore and Don Barker, Principal Gerald Dawkins, and Assistant Principal John Matlock.

ACKNOWLEDGEMENTS

To change something that has been thought of as a tradition is difficult. Choosing the four-color process cover instead of the traditional one-color embossed cover was a "double dare" put upon the staff. The encouragement of Phil Baum, Taylor Publishing Company representative, inspired the creativity attempted on the cover and in the book. Special thanks to student photographer Daryl Wilson, Blunck Studios, Ron Springfield, Craig Dawkins, George Wilson, and Mark Sheeler for the photography in *The Titan*.

The Iranian crisis, the election of Ronald Reagan to the presidency, the assassination attempts upon Reagan and Pope John Paul II, the severe heatwave and drought in Oklahoma, the first space shuttle flight (and its brief visit to Midwest City), the spiraling inflation rate, the boycotting of the 1980 Olympic games by the United States, the winning of the World Boxing Association lightweight championship by Oklahoman Sean O'Grady, and (maybe most significant) the reinstatement of registration of the draft for all eighteen year old men were just a few of the significant local, state, national, and world headlines which affected the lives of Carl Albert's students.

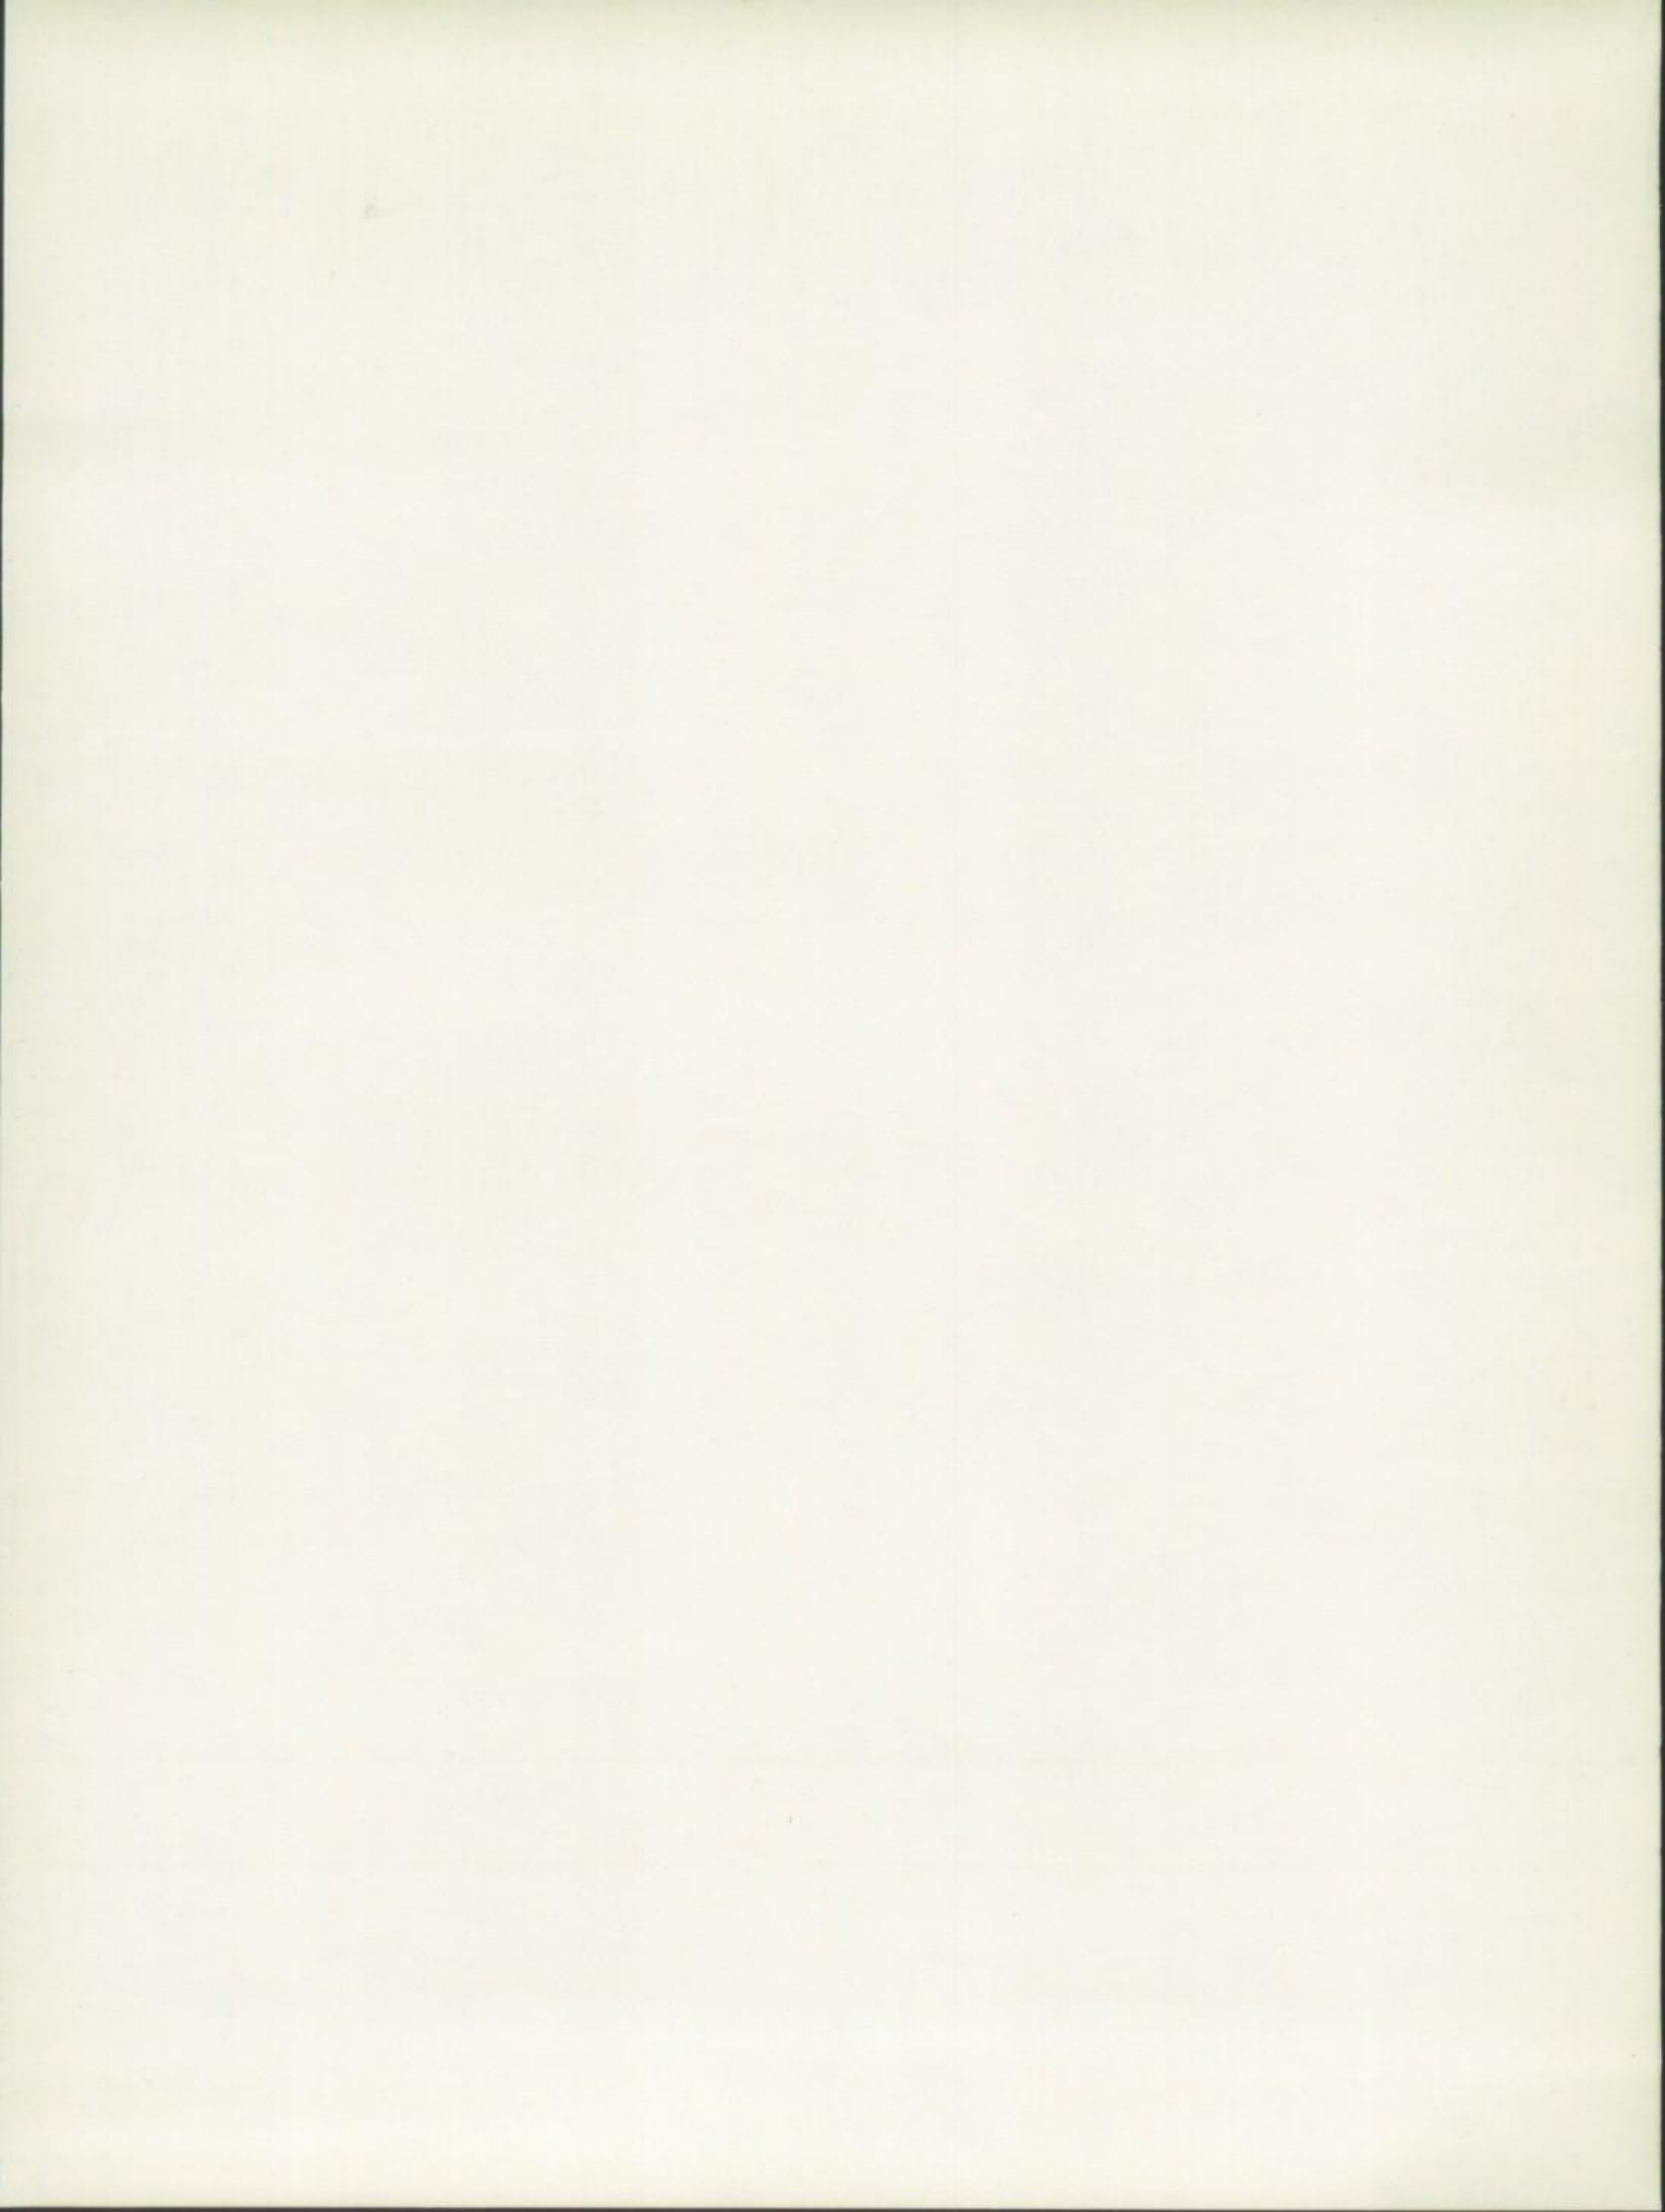

Colophon

The 19th edition of *The Titan* was printed in Dallas, Texas, by Taylor Publishing Company. The press run was 500 copies, trim size 8½ × 11.

The 168 page publication was

printed on 80-pound enamel paper using Melior type. Captions were set in eight point type. Identification, body copy, and folios were set in ten point. All headlines were 24 point except for art type which was set by staff members. The Lithographed

cover used a special four-color process. The binding was Smyth sewn on a number fifteen binders board. Four-color and spot color were used in the opening. Two signatures of four-color and spot-color were used in the book.
